Mr. Louis Kousin  
1034 East Jersey St.,  
Elizabeth, N. J.

Dear Lou:

Have just been "released" from two weeks of workshop at Rutgers, this experience coming after several weeks of travel about the country on my National Conference job. Please accept my apologies, therefore, for my delay in acknowledging your wire of July 13th. It was very kind and thoughtful of you, and I am grateful for your good thoughts.

Because the groundwork was so well laid, even the newspapers were unaware of the fact that the first Negro homeowner of Levittown N.J. moved in and took possession a week ago today. There has been no kind of incident to date, and we don't expect any; should a bigot or hoodlum get out of line, I confidently expect he will be brought back in quickly. Except for an occasional conference visit, I think the worst of my work there is done. Thanks loads for your offer of cooperation; would not hesitate to call.

Sincerely,
